* Blended Index is 75% of the BofA Merrill Lynch US High Yield Index and 25% FTSE TMX Canada Universe Bond Index™ and is computed by Sprott Asset Management LP based on available index information.

**Series A. Last three months; monthly distribution is not guaranteed and may be adjusted from time to time at the discretion of the fund manager.

¹ All returns and fund details are a) based on Series A units; b) net of fees; c) annualized if period is greater than one year; d) as at May 31, 2017; e) 2010 annual returns are from 08/05/10 to 12/31/10.

² Where applicable, all figures are annualized and based on monthly returns since inception. Risk-free rate and minimum acceptable rate calculated using rolling 90-day CDN T-bill rate. The rate of return or mathematical table shown is used only to illustrate the effects of the compound growth rate and is not intended to reflect future values of the mutual fund or returns on investment in the mutual fund.

³ Top ten holdings, sector allocation and geographic allocation as at May 31, 2017. Top ten holdings based on % of net asset value. Sector allocation based on % of net asset value. Geographic allocation based on % of net asset value and excludes cash. Numbers may not add up due to rounding. Cash and cash equivalents include non-portfolio assets and/or liabilities.

The Fund is generally exposed to the following risks. See the prospectus of the Fund for a description of these risks: capital depletion risk (Series T, Series FT, Series PT, Series PFT, Series QT, and Series QFT units only); concentration risk; credit risk; currency risk; derivatives risk; exchange traded funds risk; foreign investment risk; inflation risk; interest rate risk; regulatory risk; securities lending, repurchase and reverse repurchase transactions risk; series risk; short selling risk; substantial unitholder risk; tax risk.

Sprott Asset Management LP is the investment manager to the Sprott Funds (collectively, the "Funds"). Commissions, trailing commissions, management fees, performance fees (if any), and other expenses all may be associated with investing in the Funds. Please read the prospectus carefully before investing. The indicated rate of return for series A units of the Fund for the period ended May 31, 2017 is based on the historical annual compounded total return including changes in unit value and reinvestment of all distributions and does not take into account sales, redemption, distribution or optional charges or income taxes payable by any unitholder that would have reduced returns. Mutual funds are not guaranteed, their values change frequently and past performance may not be repeated. The information contained herein does not constitute an offer or solicitation by anyone in the United States or in any other jurisdiction in which such an offer or solicitation is not authorized or to any person to whom it is unlawful to make such an offer or solicitation. Prospective investors who are not resident in Canada should contact their financial advisor to determine whether securities of the Fund may be lawfully sold in their jurisdiction.
